RE SUBENKO VS COMMONWEALTH
U.S.D.C. # 104-CV-10023 GAO

DEAR. SIR / MADAM

I recently received an order from
the Honorable Judge George O'Toole granting
the respondents motion of the above
titled case to dismiss at time-barred
with prejudice.

My friend typed up a notice of appeal and
I sent it to the court along with affidavits
and etc with some of the people that
were apart of my petition

I only have a 8th grade education and I
was in a serious car accident and was
charged with serious charges I submitted
an affidavit from the person who did all
the legal work in my petition. (1)

I've tried hard to understand the federal rules and procedures and for some reason it's extremely hard for it to register in my head, I for some reason can't retain it.

Can I please ask the court for guidance with there being some procedure with me being able to apply for an attorney to handle my appeal.

Thank You For Your Attention in
this matter

VERY TRULY YOURS
